

A Fundraising Concert for the Ukraine

March 15th, 2022 — 6:30 PM EST

Together, we search for peace. Peace within our homes, peace within our communities, peace within our nation. Through this peace, we renew our faith in humanity each day. Right now, there are people who would seek to do away with that peace, who would seek to do harm to those simply searching for the same humanity that we are afforded. We turn on our screens and scroll through timelines shuttering, frozen in time as images and videos that extinguish the light that hope creates fill our minds. We close our eyes only to see those very images, again and again, feeling helpless miles and miles away as darkness and sorrow grow.

Art for Peace, a fundraising concert featuring a host of Canadian, Ukrainian, and international artists all offering their talent in the name of peace for Ukraine. We look to our community, all of you, to help us meet our goal of \$5,000. All donations received will be split between Dobrodiy Club, Meest via the BCU Foundation, and the Red Cross to help them offer critical aid to our fellow humans fighting for peace in their nation.
